2016-2017 Grade _					
	Foo	othill Elementary Scho Parent Input Form 2016-2017	ool		
a very challenging property of the process is to create clawork together to create parent/guardian input assist us in placing chaprincipal to assign stulearner. Our goal is to create by grouping that benefits that is committed to a	the teachers and administrate cess that takes into accourt asses that promote high acle classrooms that are acad since you know your child ildren in the most appropridents to next year's classed alanced classrooms that pure all students. Therefore, ple quality education for your your child's placement, por the process of the process o	nt teacher, parent and achievement for <i>all</i> studer emically and socially where well and in a differ late setting. The Foothil is based upon parent inprovide a positive learning ease do not request a spechildren, our Foothill I	dministrator inpunts through a balarell balanced. Onent setting. The instance of the control of	at. The ultimate goal of the anced approach. The teacher aspect of this planning information you provide work together with the mowledge of your child as and a productive instruction we have a great teaching so	is hers is will s a onal
